Welcome to Skyway ASCEND

Skyway Church is the regional church here in Goodyear, AZ. Skyway ASCEND represents our global network of churches, ministries, schools, orphanages, and ministers that work together to share the gospel of the Kingdom throughout the world. This is why our legal name is Skyway Apostolic Center. We are a hub for many connected ministries that look to us as their leaders. Currently, we have a total of 36 individuals serving together as ASCEND Ministers.

This network has been formed one relationship at a time over many years. Since 1993, when Pastor Dawn and I made our first mission trip to Australia, I have had the privilege of

traveling to eighteen different nations to share the gospel. Each trip started with an invitation to see their work. During our times of fellowship and ministry, God has knit our hearts together. Some are our spiritual children, while others are peers who have been alone and have asked to join our family.

Most of our network are apostolic leaders. When I use this word apostolic, I am referencing the spiritual gift that operates within them. Each of these leaders have multiple leaders who work with them and under them. Some of our members have connected with us through our ASCEND International University. Here we train and provide recognized credentials to apostolic leaders and pastors in many different nations. Some nations require pastors of churches to have these credentials to open their churches!

The courageous stories of our ministers are amazing. Through this group of called men and women, we are putting water wells in villages, feeding and educating over 5,000 orphans, placing Christ-centered schools in rural areas that have no education, and planting churches in unreached rural areas.

When you give your tithes and offerings to Skyway Apostolic Center, you are helping support this organic missionary network. Together we are fulfilling the Million Soul Mandate. This is our calling, to reach over one million souls by the year 2025. As you will read, we have far exceeded that number! We are not finished; we are going to be busy preaching the gospel to all the nations until our Lord Jesus triumphantly returns!

AS ONE!

Pastor Greg Brown has been my Apostle and Spiritual Father since 1996. When I met Pastor Greg in Kota, India, it was an unforgettable day. He spoke into my life many times, which I received by faith. Pastor Greg is a concert man of God and proved himself as a faithful shepherd of Skyway Church and proved his spiritual leadership as an apostle to so many disciples all over the world. I want to thank Skyway Church for trusting God's plan and for faithfully following and supporting our journey together with you all.

I always share our challenges and needs with Pastor Greg, and he is always faithful in prayer for the need and responds as the Lord provides. I am grateful that our relationship with Skyway is so strong. We are truly encouraged when the Lord has provided financial resources through Skyway church and we counted every contribution as seed that we prayed over it as the Lord blessed.

I want to sincerely thank Pastor Greg and all the family members for loving my family and accepting our family with love and care. My son Samuel told me, "Dad, Pastor Greg is a great asset for our family." It is true, and we are grateful for our friendship.

Next we plan to develop a large capacity building in the leadership and re-structuring our administration for smooth functions. We also expect to open a community hospital with 150 bed capacity. Meanwhile operating and running a mobile clinic for 36,000 people within one year. This mobile medical clinic will have a Gospel worker to share the Good News with every person who comes for medical help. We have prepared a well trained medical team and technicians to run and operate this fully equipped bus.

We have had a wonderful relationship with Greg and Dawn Brown for approximately 20 years. They have visited and ministered for us in Croatia on several occasions and Mario has also visited and ministered at Skyway several times over the years. Skyway has been instrumental in helping us renovate and purchase our church building.

We value the relationship we have formed with Skyway and specifically with Greg and Dawn. We consider it important to have relationships with other ministers to be able to glean from their example and advice. We believe that the financial relationship flows from that personal relationship because once you have formed a friendship, it is natural to want to invest in that friendship when there is a need. We are grateful for your support in that area, as well. Many of the things that we do here in Croatia would be impossible without your financial aid.

We impact our nation in several ways. Some of those are:

-Evangelism -Teaching entrepreneurs and businessmen to implement Biblical values in their business dealings -Youth Work -Student Work -Work with Orphans from 18-25 after they no longer have government support.

One of our main goals is to train up and set forth more church leaders. The growth we've seen in the past 6 months is huge and too much for Mario to handle alone. Currently we have about 170 people attending our church regularly, but we are currently serving an additional 60-70 Ukrainian refugees who do not attend our church. Last year we had approx. 10 unsaved teens at our teen camp (double than the previous year) and anticipate that number to double again. We also have unsaved people attend our business conferences.

When I received your email I called the church leadership of Vineyard Worship Center and shared with them the joy of joining Skyway Church Ascend apostolic missions. As their leader I shared with our leaders how you are teaching about the gift of the Holy Spirit, the true worship at Skyway Church, the true love and care, and the sound doctrine at large. I felt blessed and inspired with what you are doing at Skyway Church and I feel honored to be your spiritual son. Members of Skyway Church, you may know my story; I didn't have parents but Jesus met me on the street as a boy where I lived for 17 years sleeping in the gutter, no food, shelter, blankets, medication, or education. But in 1994, Jesus found me and gave me a new beginning and I have been reaching out to places where preachers of the gospel don't want to go: remote areas, radical, Muslim places, places where there is no clean water, and places with no electricity. We go there with the loving gospel of our Lord Jesus Christ, in crusades and seminars. Some places there are no churches but we preach and plant them. We have seen people's lives being transformed. Muslims give their lives to Christ, drunkards surrender to the Lord, prostitutes give their lives to the Lord, notable miracles happen!

Last year, our ministry impacted over 5000 people in Uganda and other nations. This year God gave us a word to be fruitful and multiply. We are to do this in holding crusades and seminars, winning souls for the kingdom, and setting the fire of revival. We also do discipleship training in different regions of Uganda and other nations. We also have a small orphanage project called Love Broken Hearted where we take care of the vulnerable children. And most excitingly, we are now building our new church and school on our own land!

My pastor Greg Brown and Skyway Church, I want to thank you for considering me as your son and thank you for your support which is going to help us so much as a family to educate our children.

Our relationship with Apostle Greg Brown began at a time of great need for guidance and vision in our ministry. Through Ascend ministry we began to receive the encouragement, training and vision that we needed to move forward in the work we were doing. Over the years we feel that we have also become great friends. We have also become accustomed to the vision that Pastor Greg launches each time we have a planning meeting. Along with that we are extremely grateful for the spiritual support from our Skyway family. There is nothing like being able to visit and get filled up with so much love and spiritual support. We certainly feel like family at Skyway Church.

Our family is so grateful and very blessed by the financial support from Skyway Church each month. As missionary pastors, it is essential in order to continue the work as we minister abroad. This type of support allows peace so that our focus remains on doing the work of ministry.

We feel that as Americans serving abroad, yet living close enough to travel to America, we have opportunities that allow us access to resources for teaching, discipleship and giving. We are able to impact people not only in our city, through the local church, but in the region by hosting conferences, mission trips and other annual events.

The most prominent event that we have established with the support of Skyway/Ascend ministry is the annual Ascend Mexico Conference, and we are expecting and planning to continue that work.

Receive Christian greetings from Bookshine school, we trust you are well! Everything has been very busy for our school, including admitting new students in Grade 9.

We have had 3 impactful Christian Union services in February and it is impressive to note that most of the students are enthusiastic about serving God. 36 students gave their lives to Christ and we are grateful to God for what He is doing in the lives of the students and staff. Our 20 class did exemplarily in the national exams (Kenya Certificate of Secondary Education). 6 students will be going to university in September and many of them will be joining various colleges in the country.

For a long time, we have been praying and trusting God for resources to purchase laboratory equipment, apparatus and chemicals. The Lord has provided for the resources and we have purchased what we currently need for the students. One of our classrooms is fully an iron sheet class with both the wall and the roof, this is very uncomfortable for the students especially during hot temperatures. We are trusting God for funds to build a more conducive classroom by the end of April. Kindly pray with us for the provision of these resources, in Jesus name.

Apostle Dani Tzanova
Reaching 30,000+ Souls

Growing up in Bulgaria, I always had a desire to come to the USA. This started at the age of 5. I didn't know anything about the USA but based on this desire and determined to follow my dream, I went to an English language school and told my parents that I am going to America.

During my years at the University I applied multiple times for a US visa. For 12 years I got denials, but I kept showing up in the Embassy and applying, finally receiving my US visa and traveled to the US in 2007. When I got on the plane in Phoenix, I looked for a church and decided to check if there was a Wagner Leadership Institute nearby. My apostle in Bulgaria spoke highly about Peter Wagner and WLI as he was Peter's spiritual son and knew him personally. This is how I found that Skyway offers WLI classes. I immediately drove to Skyway as I was looking for an opportunity to grow spiritually and applied for the Doctorate program. The moment I walked in the sanctuary of Skyway, I felt at home. I was so hungry for the Word of God and wanted everyone in my country to hear the teaching too. Using my laptop and video conferencing, I was able to share the WLI teachings with my friends back in Bulgaria.

After WLI graduation, I continued with a Doctorate degree in Ascend International University (AIU). During this time I got more clarity, understanding, and revelation about my spiritual gifts, calling, and purpose. The prophetic words that I have received during ministry time were confirming the calling of God upon my life. I had a desire to train and equip leaders and to conduct leadership conferences, but didn't know how this would happen.

Now as the Dean of AIU, we continue to train and equip leaders all over the globe. We connect with local leaders with established networks of leaders and churches, who then become satellite AIU Directors /Deans who are responsible to gather the other leaders for training. Classes are distributed globally via Zoom Live or recorded classes are sent to the satellite AIU Director for the students to view in a corporate setting.

I thought it would be good to know what is going on in Pakistan and the impact & influence AIU has there. They are taking the materials that we have taught them and they are bringing that material with them to their own bible colleges, churches, and schools. One pastor is training leaders from all over the world by using our materials and he is doing it on YouTube, Google meets, What's app. The people/pastors/leaders who listen and record his teaching then translate the material into their own language and teach others. I LOVE IT!!! We don't know how many exactly how many people we are reaching through AIU in this region but we have conservatively estimated their reach to be in the 10's of thousands.

Some of them graduates are conducting marriage seminars or retreats, and teaching SALT through the internet as well as on local television. They have all the PowerPoint slides that we used while teaching and they are using them wherever they go!

Pastor Sam & Sherry sacrificed so much and this is the fruit of their labor. I am so grateful for their commitment, love, and care. They are AWESOME!

Keeping Hope Alive Saffie and Neneh Tunis Reaching 5,400+ Souls

We became members of Skyway in 2015 after being welcomed by the church family with open arms. Apostle Greg and Pastor Dawn became interested in our country of Sierra Leone and how the people could be reached. My sister Neneh visited from Sierra Leone in 2016 and shared her interest in working with families in Mokondou and surrounding villages. Apostle Greg prophesied over Neneh that she would not only impact and improve the lives of families, but she would also bring the people to Christ. Pastor Greg and the Church commissioned Neneh and me in 2018 to go save souls and contribute to the Skyway Church Million Souls mandate. Neneh accepted the challenge and has since reached hundreds of families, while I continue seeking support from family and friends in the US.

Pastor Greg and the church have relentlessly continued to support Keeping Hope Alive projects which include the building of Petifu Elementary Church School, the largest elementary school in the region. This school would not have happened without the support of the Skyway Church congregation. We are thankful for being surrounded by your prayers, mentorship, and financial support which enables us to achieve our goals. Through uncompromising loyalty to our Lord Jesus Christ, Keeping Hope Alive is still on the journey of saving lives by bringing people to Christ, job creation, and providing free quality education to marginalized children.

The Lord also laid it in Neneh's heart that to win souls, people need to have the resources to feed their families. With the vast fertile land around the villages, Neneh has been able to encourage the villagers to establish a huge Tree Crop project and vegetable garden. All the women and youth employed are fed breakfast and lunch and paid bi-weekly wages to feed their families. Proceeds from the harvest of vegetables go towards feeding the children. The Lord is doing mighty things amidst the challenges in the area.

I am so grateful that Skyway Church has been my Apostolic covering since 2007. I would be remiss if I did not mention that my Pastor of 50 years, Pastor Roy De La Garza, from Fresno, California recommended that I attend Skyway Church and prophesied that Apostle Greg Brown would launch me on the government mountain. In 2015, Apostle Greg Brown commissioned me on the government mountain and God has blessed me and opened many doors in the government arena since.

The faithful support from Skyway Church has been a tremendous blessing to our ministry. Also knowing that Skyway Church has intercessors praying for me and our work while I'm on the ground has carried me through many difficult times.

Our mission is to cultivate and train the next generation of worshipers, intercessors, Jesus-followers, and young professionals so that they may go forth and change the world. Our ministry is mentoring over 100 youth throughout the United States and nearly a dozen in different countries across the globe. Our latest initiative, Prayer House DC, is dedicated to prayer, worship, and biblical mentorship for young people and faithful Christians who hold key roles in the most important city in the world. It's quickly become a movement — with a packed house nearly every Friday night — we are devoted to nourishing the hearts and souls of those who attend so that they may go forth and change the world.

We plan to build on our momentum at Prayer House DC. We are delighted to share with you that we will kick-off the year with our "Sow" event series. This series is our focused effort to usher in revival for the end-time harvest and encourage reliance on God during seasons of famine. We will start the series with 24 hours of prayer and fasting and follow with 24 hours of worship and prayer each month with worship leaders from across the country. Revival is coming to Washington, DC and our nation - we are preparing the way as God's servants.

Fragrance Tour Ministry
Gary and Ruthjane Willow
Reaching 3,000+ Souls

Thank you so much for sponsoring the "Fragrance Tour" through the ASCEND Mission's ministry. Ruthjane and I feel connected and greatly appreciate your endorsement of our missionary call to the United States. The last year has been one of excitement and awe as to what our Lord Jesus can do with ordinary people who say yes to His calling. Over the last nine months we have been in 14 states, four foreign countries, traveled over 15,000 land miles and 5000 nautical miles, visited 32 churches, held 17 RV park Bible studies, and one Bible study on a ship off the coast of southern Mexico. We have led five souls to salvation, participated in 10 baptisms and taught nine times in churches. We filled in for two weeks for a pastor on vacation in Idledale, Colorado and taught a midweek marriage seminar. Ruthjane and I taught Sunday school lessons for the entire month of October and preached a sermon at a small church in rural Texas. We have made 21 Watchman's Declarations in prominent places, blowing the shofar horn from graveyard to battlefield, from the Panama Canal to the top of Pikes Peak.

During this next season of ministry we expect: 1. A greater anointing for evangelism throughout the United States spreading the Good News with evidence of salvations and baptisms. 2. More opportunities in churches for teaching and training believers to walk in an abundant life, utilizing the Victorious Christian living material. 3. Continue offering and teaching "I am Not God" and other VCLi discipleship materials in RV Parks throughout the eastern United States. 4. Supporting and providing free materials to pastors of the rural communities in order to strengthen their congregations. 5. Continue to prayer walk communities and make the Watchmen's Declaration along our journey, proclaiming God's goodness and restoration to this country!

Reaching 161,000+ Souls

While Pastoring at Buckeye Christian Church, Ray was invited to attend a pastoral group led by Pastor Greg. Ray was introduced to pastors and leaders from around the world. Pastor Greg's call for missions impacted us, and in 2002 Ray decided to leave pastoring in Buckeye and pursue prison ministry. We also felt led that Pastor Greg and Skyway church would be our church home. Pastor Greg's spirit led teaching of God's word, impartation, and leadership has been an important part of our personal growth.

Ray serves as a Pastor for Skway's Prison Ministry. He currently ministers weekly at Lewis Prison. The mission support has helped provide communion, teaching materials and expenses. He also has ministered in many prisons in AZ and Mexico.

Ray and Sue continue to seek the Lord in prayer for our nation. Ray meets with pastors and ministries for the homeless and ex-offenders. Sue has been a part of GPT (Government Prayer Team) for 12 years, as well as National Day of Prayer. Sue's focus is to reach out to churches and individuals about biblical counseling. She has spoken at several ladies' retreats and serves on the Skyway board. We are part of Skyway Altar Ministry. We are licensed pastors and ordained through Skyway/Ascend. We do Biblical counseling and training at the VCLi office and online. We connect with ministries and nationwide. We love SALTing our nation and the nations.

Our goal now is to continue to do what we have been doing! Training, teaching and equipping others. Two specific new things we are focusing on doing: Opening Victorious Life Institute in Spanish, and creating a counseling program for the deaf utilizing the SALT curriculum.

The financial support that skyway has been giving to us for the last twenty years is indeed our main source of bread for my family. The uninterrupted monthly donations for the last twenty years kept my family and kids from starving and helped me to send my kids to school.

Here are a few activities that we are carrying out to make an impact on the community and even in villages.

1. Educating the Poor/Orphans, especially teenage girls.
2. Encouraging women to small savings
3. Gospel Outreach
4. Church Planting
5. Training Pastors to reach new horizons with Gospel and Church Planting as a result we are producing Healthy Churches in the long run.
6. CHRISTMAS JOY shoe Box Program for the last 3 years we are doing it to help Covid Orphans, and also the most vulnerable Children in the Villages, so far we have blessed over 5000 Children in 5 different states of south India.

Post Covid, many Churches have been left without a Shepherd. They are struggling with a lack of trained pastors. This year we are planning to restart our Training Program and look to train around 70 Pastors so they can fill the churches where there is a need.

In 2002, we moved with 3 small kids from the city of Split to the city of Karlovac as missionaries to start the Church. We did not think that the Lord would use us much more than just in one local area. From the very beginning, Pastor Greg and Skyway Church were helping to support our ministry financially, through prayers, visitations, and real friendship. We see pastor Greg as a great man of God, one who cares, and who is a great mentor and friend.

All these years, Skyway Church and Pastors Greg and Dawn were the Lord's hand of love and support. Your support means a lot to us and gives us a deep sense that the Lord cares and protects us.

Our desire is really to impact the nation with the Gospel of the Lord Jesus Christ. By doing hundreds and hundreds of various spiritual projects such as evangelization across multiple cities, national days of prayer, radio and TV evangelization, concerts, youth gatherings, humanitarian aid, work with orphans, work with the elderly, work with the blind, work for drug addicts, and distributing of Christian literature just to name a few.

We shall endeavor to reach more people, and continue work in the Balkan area with men, women, and youth. Supporting young and small Churches in their early phase in the same way that Skyway supported us early in our ministry.

We thank God for the opportunity we have to work with Skyway, ASONE. God it's been so faithful through skyward. Thank you for believing in the calling God had for us and standing for us when no one did. You are a spiritual father and we feel so supported by Skyway ministry.

Next month we are thinking of doing a 3 day crusade in Mexicali which we are thinking will impact over 100 people. We are getting ready for that. We are asking the Mexican government for some permits because we want to do it in a public park. Members of our congregation have been asking for Rios to go and do a three day deliverance and spread the gospel. We are very excited about that.

The countries we have worked in and impacted are Cuba and Mexico. Cuba is a country that is experiencing the worst economic crisis in history. We have been sending food packages to a family down there. Mexico is another country we provide support for, including a ministry in Puebla Mexico and a ministry in Tijuana that we have given them boxes of food through amazon. We also organize teachings and classes on thought counseling, marriage classes, parenting classes, marriage conferences, in addition to Sunday service and Salt classes.
